

**“GUARDRAILS: Forever Yours”**

We need to set up some **standards** (A.K.A.) guardrails that will “ding” our consciences to help guard our most **important** relationship.

Fidelity simply means:  
**Faithful** and **Loyal**

There are few things in life that are more **permanently** damaging than **sexual sin**

We live in an “**anything goes**” type of culture, but when it comes to sexual sin for some reason it “doesn’t go” away.

So what are **you** going to **do** about it?

1 Corinthians 6:18  
**Flee** from sexual immorality.

**All** other sins a person commits are **outside** the body

but whoever sins sexually, sins against their **own body**.
